REQUEST FOR QUOTATION

Subject and description of the subject of the contract

A mixture of enzymes intended for the hydrolysis of lignocellulosic material with beta-glucosidase activity, supplementing enzyme preparations with its deficiency. It effectively converts cellobiose to simple sugars, such as glucose. Type ACCELLERASE BG.

Quantity: 25 kg

Evaluation criteria: 100% price

Please submit offers quoting the gross price adjustment for all costs, including delivery costs to:

Department of Plant Breeding and Seed Production

University of Warmia and Mazury in Olsztyn

Plac Łódzki 3, 10-727 Olsztyn, Poland.

Please send your offers electronically to the address: wioleta.radawiec@uwm.edu.pl

The deadline for the submission of offers: 06.07.2018, at 2.00 p.m.
