**ANNEX 4****Immanuel Kant Baltic Federal University****Russian Language Centre****Practical Course of Russian as a Foreign Language: Basic Level**

Language of instruction: Russian

Mode of studies: full-time

Location: Kaliningrad

<b>Duration</b>	<b>40 hours</b>	<b>60 hours</b>	<b>80 hours</b>	<b>100 hours</b>	<b>120 hours</b>
Tuition Fee :					
Standard group	7 200 RUR	10 400 RUR	13 800 RUR	16 800 RUR	19 600 RUR
Small group	10 000 RUR	14 800 RUR	19 600 RUR	24 000 RUR	28 000 RUR

The course is aimed at formation of basic language skills applied in communication with Russian native speakers on day-to-day as well as social and cultural matters within the basic level (A2). The main objective of the course is to develop speaking and listening skills on the basis of texts of different styles and genres (publicist, popular academic, and folklore). Therefore, foreign students are engaged in learning not only the language, but also Russian culture and traditions.

Foreign students who have completed the course based on the basic educational programme (A2) are expected:

*to know*

- basic phonetic and intonation rules of the Russian language, as well as the rules of modern Russian pronunciation;
- main types of word-formation models and functional features of parts of speech within the Russian language;
- different ways to express the meaning in simple and complex sentences;

*to be able*

- to understand the whole content of a simple audiotext;
- to achieve the necessary levels of understanding in different fields and situations of communication in accordance with social and behavioral features of communication;
- to understand and read texts of different genres, extract basic information from the text, define its theme and general idea, as well as propose a logical scheme of the plot development;
- to create written texts in accordance with the communicative situations of the basic level;
- to produce monologues of different types and genres, as well as dialogues based on a variety of strategies and tactics of communication;

*to master*

- ways of language application for the formation of oral and written statements in social and domestic, as well as social and cultural situations;
- methods of monologue and dialogue creation applied in social and domestic, as well as social and cultural situations.
