

The Department of Astronomy and Geodynamics of the University of Warmia and Mazury (UWM) is hosting the 2012 IGS Workshop. This 5-day workshop will be held at UWM in Olsztyn, Poland from July 23-27, 2012.

This workshop will be composed of plenary sessions with invited oral presentations,

and afternoon sessions composed of poster sessions and IGS Working Group splinter meetings.

The overall program for this workshop is provided at the [Program Plan](#) page.

For this workshop we are soliciting abstracts for the poster sessions.

More detail on each of the twelve poster session focus areas can be found at the [Poster Abstract Submission](#) page.

**Registration and hotel reservations are extended to June 11, 2012.**

The key dates for this meeting are:

Poster Abstract Submissions:

March 25 - May 14, 2012.

Registration:

March 25 - June 11, 2012.

Hotel Reservations: March 25 - June 11, 2012.

Workshop: July 23 - July 27, 2012.

The chair of the local organizing committee is Andrzej Krankowski (UWM).

The chair of the science organizing committee is Shailen Desai (JPL)
