Location

University of Warmia and Mazury in Olsztyn (UWM) is located in north-eastern Poland

Olsztyn is perceived as one of the most beautiful cities in Poland – a country in the centre of Europe

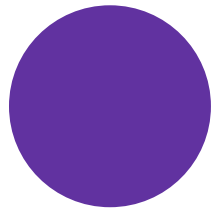

Visiting Poland

- Poland is known for its rich history, stunning architecture, delicious food, and beautiful countryside
- You can expect medieval castles, vibrant cities, picturesque towns, and beautiful landscapes including the Warmia and Mazury region with its breath-taking lakes and forests

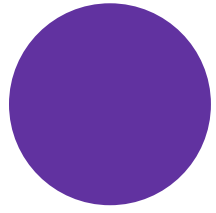

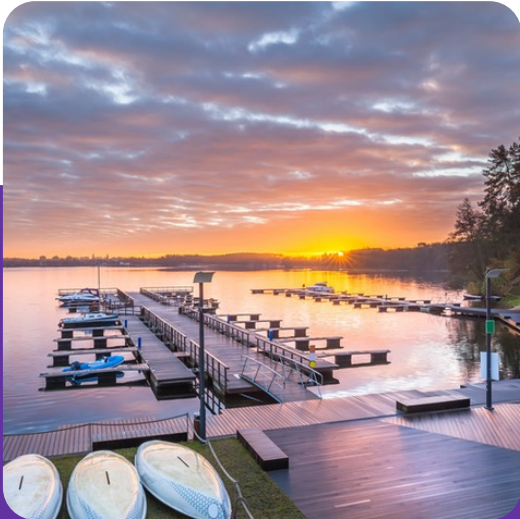

Best of Olsztyn

- The capital of the Warmia and Mazury region inhabited by nearly 176,000 people
- A renowned cultural and academic centre, boasting a large philharmonic, university, sports centre, in addition to numerous cinemas, theatres and cafes
- The city's showcase is the medieval castle where Nicolaus Copernicus lived

Best of Olsztyn

Olsztyn is surrounded by thick forests (they account for 20% of the city suburban area). There are also three rivers and 13 large lakes

Such surroundings make the city a popular holiday resort, with people flocking here to relax in its calm ambiance
