

**Protection policy against the practices of "ghostwriting" and "guest authorship"
(adapted from materials of the Ministry of Science and Higher Education)**

"Ghostwriting" means that one or more authors, having made an important contribution to the article, are not mentioned as co-author(s). This also concerns not mentioning the role of persons having contributed in one or the other way to the publication. **"Guest authorship"** (**"honorary authorship"**) means that a person is mentioned as the author or co-author of an article without having contributed at all to the article.

To prevent cases of "ghostwriting" and "guest authorship", the **Author/Authors of manuscripts is/are obliged to sign the Author's statement and:**

- disclose the input of each author to the text (specifying their affiliations and contributions, i.e. who is the author of the concept, assumptions, methods, protocol, etc. used during the preparation of the text),
- disclose information about the funding sources for the article, the contribution of research institutions, associations and other entities.

The **Author's statement** should be sent to the address of the Editorial Office:

**“Olsztyn Economic Journal”
University of Warmia and Mazury in Olsztyn
Faculty of Economics
Department of Social Policy and Insurance
ul. Oczapowskiego 4
10-719 Olsztyn**

It is also possible to send **signed and scanned statement by e-mail: oej@uwm.edu.pl**.

Manuscripts submitted without the declaration enclosed will not be published.

The Editors warn that all detected cases of scientific misconduct will be exposed. What is more, appropriate entities (institutions employing the authors, scientific societies, associations of science editors, etc.) will be notified.
