Polskie Towarzystwo Turystyczno-  
Krajoznawcze

The Faculty of Geoengineering of **University of Warmia and Mazury in Olsztyn and Kazimierz Wielki University in Bydgoszcz, POLAND** invite you to participate in the **4<sup>th</sup> International Conference on Water Management and its Surroundings – Modern Trends in Blue and Green Infrastructure Management**.

The conference will be held in **Bydgoszcz** on **June 16-17, 2025**. There is a possibility to attend online on the first day of the conference.

The **purpose of the conference** is to broaden knowledge, exchange scientific experience, as well as teaching that is directly related to the industry or profession and is intended to update knowledge for professional purposes. During the event, papers of educational, didactic and scientific nature will be delivered. The **topics** of proposed presentations will include:

- management of water space and neighbouring areas,
- tourism and recreation,
- agrotourism,
- urban planning, architecture and construction,
- GIS in land management,
- social and economic aspects of water management and its surroundings,
- technologies of spatial data acquisition,
- geography of streams and water reservoirs,
- water resource management,
- water law,
- spatial phenomena related to water,
- trends in agricultural and forestry land management,
- sociological, psychological and theological aspects of management of water space and its surroundings,
- geodesy in spatial planning,
- destination of medical tourism,
- healthcare, medical and retirement/senior living,
- innovations at the social areas post-COVID-19,
- Water Information Systems Development and Management,
- and other related to the above topics.

### **Registration and conference fee**

**Registration deadline:**

**May 6, 2025**

**Participants' registration early bird fee**

**(until April 22, 2025; deadline postponed):**

**900 PLN (215€)**

**Participants' late registration fee (until May 6):**
